Hello,

Please accept this email as my statement of interest to serve on the SABA board for a one-year term.

My vision for the board and SABA is to see SABA as an institution that builds bridges with other professional boards with a view to creating an environment in which SABA members can expand their networks beyond the legal industry. This would involve hosting cross-professional events and creating forums for varying professionals can leverage each other's knowledge and networks.

I have been a member of SABA since 2013 and have actively participated in its events. I spearheaded Stikeman Elliott's event sponsorship at marquee events such as the SABA Gala.

Thanks,  
Khalfan
